**INTRODUCTION**

VMRC is a community-based, private nonprofit corporation that is funded by the State of California to serve people with developmental disabilities as required by the Lanterman Developmental Disabilities Act. The Lanterman Act is part of California law that sets out the rights and responsibilities of persons with developmental disabilities. Valley Mountain is one of 21 Regional Centers throughout California serving individuals with

developmental disabilities and their families. VMRC provides services to residence within San Joaquin, Stanislaus, Amador, Calaveras, and Tuolumne Counties.

### **DESCRIPTION OF PROJECT**

VMRC is requesting the submission of proposals for the acquisition and renovation of one (1) single family home, which will be available for long-term lease by a residential service provider selected and vendored by VMRC. Grant funds to acquire the home will be for a total of one (1) property. Acquisition of the property will be a collaborative effort between the HDO, the regional center and the vendor selected to provide direct services to the residents and operate the home. The acquired and renovated properties will operate as EBSH.

An EBSH is a new service model established under California Department of Social Services/Community Care Licensing and licensed as an Adult Residential Facility and vendored by the regional center as a Specialized Residential Facility / Enhanced Behavioral Supports Home. Refer to California Code of Regulations, Division 2, Chapter 3, Subchapter 24, establishing program standards for EBSH's.

An EBSH means an adult residential home certified by the State Department of Developmental Services (DDS) and licensed by the Department of Social Services (DSS) as an adult residential facility or group home that provides 24-hour nonmedical care to individuals with developmental disabilities who require enhanced behavior support, staffing, and supervision in a homelike setting, as defined in Section 4684.80 of the Welfare and Institutions Code. The enhanced behavioral services and supports provided to address individuals' challenging behaviors include additional staffing supervision, facilities characteristics and other services and supports which are beyond what is typically available in other community-based adult residential facilities or group homes to serve individuals in a community setting rather than an institution. Refer to Welfare and Institutions code 4684.80 (a) and (b).

Interested parties are invited to submit a proposal in accordance with the specifications outlined in this Request for Proposal (RFP) to acquire one (1) property for long-term lease to a service provider supporting individuals with developmental disabilities. Applicants will also be responsible for the long-term management of the property. The successful applicant for this award will acquire the property to be purchased and renovated or constructed to VMRC specifications and will be owned and maintained by the HDO for restricted use as housing for individuals served by VMRC. The applicant must be an HDO or have a component of their organization that does not provide direct services to any individuals with developmental disabilities.

To ensure that homes developed using Community Placement Planning (CPP) funds are always available for use by individuals served by VMRC, real estate deed restrictions or restrictive covenants are required for each property purchased with these funds by the HDO. These deed restrictions or restrictive covenants must place specific limitations on the use of the property.

Deed restrictions must specify the property will be held, and available for serves to person referred by VMRC in perpetuity from the date of purchase per the "Guidelines for Purchasing and Developing Permanent Housing through the Regional

Center Community Placement Plan” issued by the California State Department of Developmental Services. The entire document can be accessed at the following web address, [https://www.dds.ca.gov/wpcontent/uploads/2022/02/CPP\\_CRDP\\_Guidelines\\_FY\\_21\\_22.pdf](https://www.dds.ca.gov/wpcontent/uploads/2022/02/CPP_CRDP_Guidelines_FY_21_22.pdf)

Renovation of the property must be supervised by, and is the responsibility of, the HDO. Renovation plans must be developed for the HDO by a licensed architect and implemented by a licensed, bonded contractor, and the plans approved by VMRC prior to an application for construction permits. The property will be leased to a residential service provider who will provide care and supervision to the residents. The selected residential service provider as well as the regional center staff will be available to the HDO/architect/building contractor for development team meetings and technical assistance regarding the needs of the individuals referred as well as the requirements of Community Care Licensing.

Property selected must be convertible to meet the standards for licensing by the California State Department of Social Services, Community Care Licensing Division, as an Adult Residential Facility for ambulatory and a minimum of two non-ambulatory residents. Property ownership and management will be separate and distinct from the provision of services and supports. The property acquired for the EBSH must be a single-story family home for no more than four adults, per home. The home will be designed with (4) single occupancy bedrooms with shared bathrooms or private bathrooms. The property must be approved by VMRC and DDS in advance of purchase and located within the VMRC’s five county catchment area of San Joaquin, Stanislaus, Amador, Calaveras, and Tuolumne.

Additional requirements for the property may include but are not limited to the following:

- Single family home suitable for ADA compliance and capability to be licensed as a Four Bed non-ambulatory home
- Compliance with Title 22 Community Care Licensing regulations and vendorization requirements by VMRC
- Private bedroom for each of the 4 residence
- Large lot with ample property lines to afford some distance from neighbors
- Fenced backyard
- Minimum of 2 common areas
- Shatter proof windows and reinforced interior walls
- Parking area (preferably off street) for staff and visitors
- Fire sprinkler system (for CCH property must accommodate commercial fire sprinklers-NFPA 13 type)
- Clear line of sight within the home
- Secured fixtures and appliances
- Backup power generator to power essential systems of the home.

### **APPLICANT ELIGIBILITY**

The HDOs primary mission is to develop and manage accessible homes for the needs of individuals with developmental disabilities. For the purpose of this project, the applicant can be a for profit housing organization, a registered NPO (or indicate the intent to create an NPO registered as an IRS 501 (c)(3) corporation), limited liability company, or limited partnership that will own the property through the HDO as a managing general partner who receives and retains an Organizational Clearance Certificate for the projects from the California Board of Equalization in Order to be exempt from property taxes.

Only applicants who have acquired, constructed, or renovated property for the use of special needs populations for a minimum of two years, or have a team members with at least four (4) years of relevant experience, will be considered. Applicants must possess qualifications as specified in the RFP.

Responses to the RFP will be considered from affordable housing developers who retain development team members with documented experience in real estate purchase, financing, and renovation. HDO's must submit the resumes of the development team, a summary of past projects, and a narrative of proposed property ownership including acquisition, renovation, and maintenance. Information on plans for acquiring permanent financing, HDO organization and financial documentation, an implementation and financing plan. Including a detailed budget and a pro forma budget.

The selected applicant may be required to provide a performance bond for all money advanced. The cost of the bond will be an acceptable startup cost.

The following agencies and individuals are not considered eligible for this RFP award.

- The State of California, its officers, or its employees.
- A regional center, its employees, and their immediate family members.
- Area Board members, their employees, or their immediate family members.
- Any HDO with a conflict of interest in either board members or employees.

Refer to Title 17 regulations, Section 54314 for a complete list of ineligible applicants.
