

PUBLIC NOTICE: VMRC 2022-2023 COMMUNITY PLACEMENT PLAN (CPP) AND COMMUNITY RESOURCE DEVELOPMENT PLANNING (CRDP)

Valley Mountain Regional Center has been collecting input over the past year related to potential unmet Community Placement Plan / Community Resource Development Planning service needs; VMRC generates “unmet” resource information from Case Management staff on a routine basis. All project requests are dependent on Department of Developmental Services (DDS) approval and will be developed through the Request for Proposal (RFP) process, in accordance with VMRC’s Administrative Policy 200-11-01.

VMRC is proposing the following projects as priorities for CPP/CRDP resource development for the 2022-2023 fiscal year:

1. \$25,000.00 Start -up funds to support:

Enhanced Supported Living Services to support persons living independently who require supervision related to self-care, safety, court related restrictions, substance abuse support and staff who have been provided training related to trauma informed care, among other specialties (including behavior intervention support, crisis communication)

Two agencies to serve San Joaquin County-

One agency to serve Stanislaus County

One agency to serve Amador, Calaveras, and Tuolumne Counties

2. \$200,000 Start Up Funds to support:

(1) Specialized Adult Residential Forensic Home (4 Bed) One home in VMRC’s five county catchment area to support persons who have forensic support needs ; to be supported in by licensed care, under intense supervision and/ or court ordered restrictions related where they can/ cannot reside.
