## **G. Resource Development Update**

Brian Bennett, Community Services Director, and Robert Fernandez, Division Manager, gave this update. Robert updated the committee that last week they had their Residential Services Orientation (RSO). This was the first one in about 3 years. It is for new providers who are in development or existing providers who want a refresher course. There were 42 participants that listened to different members of the Community Services Department present.

Providers had an opportunity to get a raise in rates effective January 1. They need to complete a certain form if they believe there was an error in how their rate was calculated.

CPP projects for Children's Homes – 1 in Stanislaus County and 1 in San Joaquin County....1 has been vendored effective 02/01/23 for Stanislaus County. The other one in San Joaquin County is still in development.

Brian – we found a potential home for a longtime project we've been working on for children in Stanislaus County, in Turlock. Very exciting.

Brian spoke about Coordinated Family Support (CFS) and answered any questions that committee members had (reports in meeting book). He also talked about the RFP that is posted to the website.

## **H. Quality Assurance Update**

Katina Richison, Division Manager, presented the Quality Assurance Alert Reports (reports in meeting book).

## **I. Transportation Update**

No update this month from R&D Transportation.

Brian shared that they are working on an AB637 waiver with transportation providers (commercial). We met with DDS on Monday to review with them where we are at on this process. Providers had to provide reports on their expenses. The goal is to enhance that rate on transportation. Hoping to hear back from DDS in the next week or so. We then will need to have a public meeting to gather feedback on this. These providers need relief.

## **J. Fair Hearing Update**

Jason Toepel, Compliance Manager, presented the Fair Hearing Data (report in meeting book).

## CLASP Report

- 1) Presentation: At January's meeting, Mark Crear presented on his role as VMRC's Diversity, Equity, and Inclusion Manager.  
At February's meeting, Teresa Anderson from The ARC presented on the current budget and legislative items that pertain to the IDD community.
- 2) CLASP continues to have On Going Discussions on Current DDS Directives and CCL PINS (Provider Information Notice)  
  
Katina Richison shared that CCL is back logged 4 to 6 months for Administrator Certificate renewals and new submissions. If Administrator Certificate expires and you send in required documents for renewal, Katina requested that administrators keep all documents submitted to CCL and be in contact with their VMRC Liaison.
- 3) Transportation continues to be an unmet need. R&D presents every month to CLASP and continue to hold forums the 2<sup>nd</sup> Thursday of the month at 11:00 AM for transportation updates. They continue to look for more transportation vendors to provide services to those people waiting to get routed.
- 4) CLASP's Provider Conference is scheduled for October 24. The committee has secured a location and several speakers. The committee is looking for sponsorship.
- 5) CLASP announced to members that it's time to begin thinking about voting in new officers. If any member is interested in becoming part of the CLASP Leadership, they can email the CLASP nominating committee so a voting slate can be presented at the next meeting.
- 6) Workforce Collaboration Update- Collaboration of VMRC, Alta and vendors in both areas. Working on website to assist in hiring. Goal is to raise awareness of the field, to attract new people to the field. Developing video and social media package to help with awareness. Also planning a job fair in both areas dates are May 3 in Sacramento, June 15 in Lodi. Vendor Events are 3/22/23 at Alta and 3/24/23 at VMRC Stockton.

Next CLASP meeting will be held via zoom: March 27, 2023 @ 10AM.

## **L. Clinical Update**

Dr. Claire Lazaro, VMRC Clinical Director gave this update.

We have done quite a few training courses since November 2022 for our staff. These trainings are part of our strategic plan to focus on consumer health. This helps our staff assist and guide our consumers on issues that arise. We did one on pressure ulcers, bowel care and constipation. The training courses are posted on our website under Clinical. This morning we had dental training with our staff. We also had a training with Health Plan of San Joaquin.

Our Family Wellness Pilot Project is moving along. We hired, in December, a Family Wellness Navigator to assist with the Family Wellness Coordinator. We have had a few community stakeholder meetings. We plan a few more. What we are really looking for is to hire our counselors, LMFT and LCSW, to hire for this program. Please spread the word...we are looking to fill these positions.

## **M. Next Meeting, Wednesday, May 3, 2023, 5:15 PM, Hybrid (In-Person and via Zoom Video Conference)**

Suzanne proposed holding a meeting next month on Wednesday April 5<sup>th</sup>, to discuss about holding this committee meeting on a monthly basis, at 5:00 PM. We will have further discussion, and then take action on the future schedule of Consumer Services.

# WHAT IS RESPITE CARE?

**Respite Care provides much-needed relief from caregiving duties when you're looking after a loved one who requires frequent supervision and care.**

# TYPES OF RESPITE

## AGENCY RESPITE

Agency Respite is for families who may need assistance in identifying someone to care for their loved one. In this case, we would identify an Agency Care Provider who can provide services.

## EMPLOYER OF RECORD

Respite care through Employer of Record is for families who have identified their own Care Provider. This is typically a friend, a neighbor, a family member, etc. who has agreed to care for their loved one.

# BENEFITS OF RESPITE

- ✓ Allows time for errands and appointments
- ✓ Time for self care and relaxation
- ✓ Minding household tasks and needs of the family
- ✓ Spending quality time with other family members
- ✓ Reduce stress and burnout on the primary caretaker
