

VALLEY MOUNTAIN REGIONAL CENTER SERVICE STANDARD

SOCIAL RECREATION and CAMP SERVICES

Philosophy and Purpose

It is the philosophy of VMRC that people with developmental disabilities have access to age-appropriate social recreational activities, including camping services and associated travel expenses. VMRC believes that such activities are an important and necessary part of all people's lives. These activities help to ensure a person's emotional well-being, promote, and develop friendships, and enhance social skills. As such, VMRC will promote the participation of people with developmental disabilities in meaningful, preferred social/recreational activities.

The purpose of social recreation services is to meet the person's need for socialization and access to recreational activities. VMRC is aware that people with developmental disabilities are often socially isolated and may not have opportunities for social interaction and recreation with a wide circle of friends and acquaintances, including people without disabilities.

Definition

Benefits of social recreational activities in –

- Children – promote social growth and development.
- Adults – prevent isolation, encourage development of social skills, learn social boundaries; form long-lasting relationships; promote community engagement.

The Planning Team, as defined in W&I Code 4512 (j), which includes the person served, reviews the need for socialization and for recreation and develops a statement of goals based upon the needs, preferences, and life choices of the person. The Team considers several factors that support or inhibit the achievement of the person's goals (e.g., the people's own abilities, family, friends, residential care facility, and community resources). Use of generic resources should be explored, and the cost effectiveness of the requested service considered. VMRC will fund approved services if/while generic resources are being explored and the exploration of generic resources shall not delay the implementation of these services.

The Team shall take into account the consumer's need for extraordinary care, services, supports and supervision, and the need for timely access to this care.
