

The Power Starts

With YOU!

The SAC6 is the VMRC Consumer Advocate! The Consumer Advocate job is to help with the following:

Ask people what services they need.

Help people to find answers to their questions or problems.

Let VMRC know about issues and the problem. Work together to fix it.

Make sure people always know we are here to help.

Call us or send an unmet needs form to SAC6 if you have unmet needs or questions about the services you get from Valley Mountain Regional Center. We will do our best to help **YOU** speak up for yourself!!
